

PART 50

EXTRAORDINARY CONTRACTUAL ACTIONS

50.303 Contract adjustment. [FAC 90-32]

FAR as of FAC 90-25

~~50.303~~ Contractor requests.

* * * * *

FAR as revised

50.303-1 Contractor requests.

* * * * *

50.303-2 Contractor certification.

A contractor seeking a contract adjustment that exceeds the simplified acquisition threshold shall, at the time the request is submitted, submit a certification by a person authorized to certify the request on behalf of the contractor that (a) the request is made in good faith and (b) the supporting data are accurate and complete to the best of that person's knowledge and belief.

50.304 Facts and evidence.

FAR as of FAC 90-25

(a) *General.* When it is appropriate, the contracting officer or other agency official shall request the contractor to support any request made under 50.303 with any of the following information:

FAR as revised

(a) *General.* When it is appropriate, the contracting officer or other agency official shall request the contractor to support any request made under **50.303-1** with any of the following information: [FAC 90-32]

50.305 Processing cases.

FAR as of FAC 90-25

(a) In response to a contractor request made in accordance with 50.303, the contracting officer or an authorized representative shall make a thorough investigation to establish the facts necessary to decide a given case. Facts and evidence, including signed statements of material facts within the knowledge of individuals when documentary evidence is lacking, and audits if considered necessary to establish financial or cost facts, shall be obtained from contractor and Government personnel.
* * * * *

FAR as revised

(a) In response to a contractor request made in accordance with **50.303-1**, the contracting officer or an authorized representative shall make a thorough investigation to establish the facts necessary to decide a given case. Facts and evidence, including signed statements of material facts within the knowledge of individuals when documentary evidence is lacking, and audits if considered necessary to establish financial or cost facts, shall be obtained from contractor and Government personnel.
* * * * * [FAC 90-32]

50.306 Disposition.

FAR as of FAC 90-25

When approving or denying a contractor's request made in accordance with 50.303, the approving authority shall sign and date a Memorandum of Decision containing—
